

# Lung Cancer Prevention and Early Detection Network Kentucky Cancer Consortium Meeting AGENDA

Friday, July 17, 2015

Kentucky Chamber of Commerce

464 Chenault Rd, Frankfort, KY 40601

**2:00 – 4:00 pm EST in person**

Conference line: 1-877-394-0659 passcode: 7250592994#

## Purpose of the Network:

- Provide a forum for coordination and collaboration to impact lung cancer in Kentucky
- Focused on reducing environmental risk (radon and secondhand smoke), reducing smoking and increasing the percentage of Kentuckians at high risk for lung cancer who are detected at an early stage.
- The first initiative of this network is to develop clear, unified messages on these areas of lung cancer prevention and early detection to educate the public, community leaders, healthcare professionals, healthcare system leaders and policymakers regarding lung cancer prevention and early detection.

---

## Meeting Objective:

- Understand next steps for smoke-free KY
- Discuss the name and focus areas for our network
- Discuss plans for unified messages across areas of lung cancer prevention and early detection
