

Lung Cancer Prevention and Early Detection Network

Kentucky Cancer Consortium

Meeting AGENDA

Friday, October 17, 2014
Kentucky Chamber of Commerce
464 Chenault Rd, Frankfort, KY 40601
2:00 – 4:00 pm EST in person

Purpose of the Network:

- Provide a forum for coordination and collaboration to impact lung cancer in Kentucky
- Focused on reducing environmental risk (radon and secondhand smoke), reducing smoking and increasing the percentage of Kentuckians at high risk for lung cancer who are detected at an early stage.
- The first initiative of this network is to develop clear, unified messages on these areas of lung cancer prevention and early detection to educate the public, community leaders, healthcare professionals, healthcare system leaders and policymakers regarding lung cancer prevention and early detection.

Meeting Objective:

- Discuss BMSF Component 3 grant – Lung Cancer Prevention and Early Detection Network
- Discuss ways the Network can be involved in lung cancer prevention
- Discuss ways the Network can be involved in Lung Cancer Awareness Month
