We believe every Kentuckian can be free from tobacco-related disease.

We believe in protecting all Kentuckians from secondhand smoke and radon.

We believe lung cancer screening can save lives.

We believe in a Kentucky without lung cancer.

Meeting Objective:

- Share results from the Lung Cancer Network survey (from June/July) and how we can apply those to the group.
- Opportunity to highlight Lung Cancer Awareness Month activities (interested participants).
- Discuss how organizations plan use the Lung Cancer Network Communication toolkit.
- Policy updates & Pre-Summit workshop on Lung Cancer Policy (March 1, 2017)
- Update on Self Made Health Network Grant focused on lung cancer health equity
- BRFSS Lung Cancer Screening Module proposal for 2017
