

Lung Cancer Prevention and Early Detection Network

Kentucky Cancer Consortium Meeting AGENDA

Friday, October 25, 2013
Franklin County Extension Agency
101 Lakeview Ct
Frankfort, KY 40601
2:00 – 4:00 pm EST

Purpose of the Network: To work collaboratively to implement Kentucky Cancer Action Plan goals, objectives and strategies that will impact lung cancer prevention and early detection in Kentucky.

Guiding Principles:

- Committed to addressing both lung cancer prevention and early detection
- Each participant is to be regarded as a teacher of others and a learner from others
- Treat everyone as an equal
- Speak honestly and openly with respect
- Follow through on what you say you will do

Meeting Objective:

1. Determine a few strategies to address for the next year that can best be done if we work together.
-

2:00 – 2:15
