## Action Items:

- Tobacco Tax:
  - Utilize ACSCAN/Campaign for Tobacco-free Kids Fact sheet (Jennifer sent on 6/10/2016)
  - Educate partners on the importance of at least a \$1.00 increase to impact health
  - Listen to what partners, legislators and others are saying about the potential tax
- LCN Toolkit:
  - Add pictures and a calendar
  - Include hashtags/resources from KY LEADS
- Promote the Kentucky LEADS Collaborative at Kentucky Cancer Program/University of Louisville:

A free interactive online CME course on lung cancer care across the continuum is now available at [www.lungcancerinkentucky.org](http://www.lungcancerinkentucky.org). The 1-2 hour course was developed for primary care providers by the Kentucky LEADS Collaborative at Kentucky Cancer Program/University of Louisville and provides up to 2.5 hours free CME credit. ## Meeting Discussion:

- Tobacco Tax – Angela Criswell
  - A tobacco tax must be at least \$1.00 to impact health
  - Erica Palmer provided information and a 1-pager on proposed impacts of a \$1.50 per tax
  - Tax reform – a tobacco tax increase would most likely be within a larger tax reform initiative in 2017
- Review and discussion of the LCN Toolkit
  - The toolkit look very useful. There was discussion on adding pictures, a calendar and to utilize some hashtags/resources LEADS is doing.
