*We believe every Kentuckian can be free from tobacco-related disease.
We believe in protecting all Kentuckians from secondhand smoke and radon.
We believe lung cancer screening can save lives.
We believe in a Kentucky without lung cancer.*

Meeting Objectives:

- Discuss “who is working on what” results re: Tobacco Treatment
- Identify gaps and continued questions from Health Professionals re: Coverage for Tobacco Treatment
- Determine interest and plans for developing a consumer-friendly Coverage “FAQ”
- Discuss possibility of another “Kick it Kentucky” event focused on consumers
- Discuss plans to share tobacco treatment resources with FQHCs
- Additional thoughts/questions re: Tobacco Treatment
- Lung Cancer Awareness month highlights
