

March is National Colorectal Cancer Awareness Month

For a Future Free
of Colon Cancer™

— Friday —
March 2, 2018!

District Cancer Councils

www.kycancerprogram.org

Did you know?

- Early colon cancer may have no symptoms
- Colon cancer is mostly preventable
- Screening saves lives

You can make a difference!

- Hold a colon cancer awareness event any time in March and dress in blue! Then tell people WHY!
- Encourage friends, family and co-workers to get screened!

Go to www.tinyurl.com/kcpcolontoolkit for colon cancer screening resources.

Visit our Facebook page for community events.
