

Dear **Kentucky Cancer Consortium** Partners:

The Kentucky Cancer Consortium (KCC) is pleased to provide you with the **April 10<sup>th</sup>** issue of “Wednesday’s Word”, a KCC communication resource relaying recent state and national cancer control articles, resources, events and tools to your “cyber-doorstep”. You may read archived editions on [our website](#). If your organization has a cancer-related item for Wednesday's Word or someone wants to be added to Wednesday’s Word, feel free to contact Jennifer Knight at [jredknight@kycancerc.org](mailto:jredknight@kycancerc.org).

**This edition is focused on EVENTS and MEETINGS that we know about over the next few months and the people you can contact for more information.** We had some computer file transfer disasters and not everything that we wanted to include is included! Thank you for your interest and your patience!

Sincerely, Kentucky Cancer Consortium Staff

#### July

- 21-23, Lung Cancer Alliance’s National Advocacy Summit will be held in Washington DC from July 21-23, 2019, and registration is now open. Join patients, survivors, caregivers and loved ones, health care professionals and advocates committed to fighting lung cancer as we learn about the latest research and treatment advancements, receive expert-led advocacy training, and join together to speak with one voice to our elected officials! Please share this invitation widely, and learn more about this year’s Summit by clicking [here](#).
