

HPV VACs

Vaccinate Adolescents against Cancers

Louisville, Kentucky HPV Vaccination Roundtable

Agenda

June 13, 2019

Session Objective: convene leaders for networking, best practice sharing, professional development and idea generation, to close the HPV immunization disparity gap in the greater Louisville area. At the conclusion of this day we hope to have 2-3 measurable goals for the market to collaborate in an effort of improving the rates of HPV vaccination in the region.
