

PARKING FOR A PURPOSE

Did you know....the American Cancer Society estimates 7,500 rides will be needed to fulfill the transportation needs of cancer patients in Kentucky during 2019? The total cost of this transportation need is estimated to be over \$187,500.

Did you know...you can help the American Cancer Society break down this barrier for cancer patients in Kentucky while cheering on your Wildcats Football team?

For a minimum donation of \$300 you can park in the American Cancer Society's office lot for the regular UK Football home season. Our office is located right off College Way in the shadow of Kroger Field. There are only 15 spots available and it is first come, first serve so act quickly!

We are hoping this will be a touchdown for transportation!

100% of donations made will go towards helping patients in Kentucky get to their cancer treatments through the American Cancer Society transportation initiatives.

Donations are tax deductible and checks can be made to The American Cancer Society.

Cash and credit cards are also accepted.

Please contact Kelsey Lewis (Kelsey.lewis@cancer.org) or Sheldon Kozee (sheldon.kozee@cancer.org) for more information or to secure your spot today!

***Note these spots are only for parking and NO tailgating is allowed on American Cancer Society property. These spaces are very close in proximity to tailgating areas. The pass is only for one vehicle and the passes will be different for each game. You can pick up all passes from the office during normal business hours 8:00am to 4:30pm. Please note these spots are located at the building in front of the Hope Lodge and no parking is allowed in the Hope Lodge parking lot. Patrons will be assigned a numbered parking spot. We ask all patrons be respectful of our Hope Lodge and its guests.
