## Reducing Employee Risk: COVID-19, Tobacco Use and Smoke-Free Environments

Thursday, September 24, 2020

12:30pm-1:00pm ET/11:30am-12:00pm CT

Please plan to join us for a 30-minute webinar focused on understanding the increased risk of tobacco use/smoking and COVID-19 complications. There will be speakers from the Kentucky Chamber of Commerce, Kentucky Cancer Program, Kentucky Cancer Consortium and the University of Kentucky. Resources for worksites related to tobacco treatment and smoke-free environments will be highlighted.
