INTEGRATING TOBACCO TREATMENT INTO LUNG CANCER SCREENING EFFORTS

SPEAKER: AUDREY DARVILLE

Tune in to the next virtual session of the Kentucky Lung Cancer Screening Learning Collaborative, when we hear from Audrey Darville, PhD, APRN, CPAHA, FAANP, University of Kentucky College of Nursing. Dr. Darville will share simple, effective ways to weave tobacco-dependence treatment into your lung cancer screening programs & initiatives. We'll also hear policy and resource updates from our Kentucky tobacco control partners. Questions? Contact katie.bathje@uky.edu
